

## A Course in Miracles – Lesson 326

### *I am forever an Effect of God.*

<sup>1</sup> *Father, I was created in Your Mind, a holy Thought that never left its home. I am forever Your Effect, and You forever and forever are my Cause. As You created me I have remained. Where You established me I still abide, and all Your attributes abide in me, because it is Your Will to have a Son so like his Cause that Cause and Its Effect are indistinguishable. Let me know that I am an Effect of God, and so I have the power to create like You. And as it is in Heaven, so on earth. Your plan I follow here, and at the end I know that You will gather Your Effects into the tranquil Heaven of Your Love, where earth will disappear, and separate thoughts unite in glory as the Son of God.*

<sup>2</sup> Let us today behold earth disappear, at first transformed, and then, forgiven, fade entirely into God's holy Will.
